Amendments to the Claims as follows:

1. (Currently Amended) A combination ~~sink and jet~~ portable parts washer for removing contaminants by hand or automatically using a cleaning fluid, said parts washer comprising:

- 5 (a) a base cabinet having sides and an open top defining a compartment having an upper jet cleaning section ~~and a lower fluid reservoir~~;
- (b) a cleaning receptacle rotatably mounted in said jet cleaning section for receiving parts to be washed by jet cleaning;
- (c) means for rotating said cleaning receptacle;
- 10 (d) a spray manifold in said jet cleaning section having at least one spray nozzle oriented to direct a cleaning spray on said receptacle;
- (e) a fluid pump having an outlet connected to said manifold and an inlet ~~communicating with said reservoir~~;
- (f) a sink mounted on said cabinet open top overlying ~~[[aid]]~~ said jet cleaning section having a closed position closing said cabinet open top and an open position providing access to said jet cleaning section to load and remove parts therefrom;
- 15 (g) drain means in said sink communicating with said reservoir; ~~[[and]]~~

(h) a hand washer having a fluid supply hose communicating with a source of
fluid pressure for manual cleaning parts[.]; and

(i) fluid reservoir in said cabinet providing cleaning fluid to both said pump
inlet and said hand washer.

5

2. (Original) The combination sink and jet parts washer of Claim 1 wherein said sink
is hinged to said base cabinet.

10

3. (Original) The combination sink and jet parts washer of Claim 1 wherein said sink
is removably seated on said cabinet.

4. (Original) The combination sink and jet parts washer of Claim 1 wherein said sink
is on guide means and is slidable between said open and closed positions.

15

5. (Original) The combination sink and jet parts washer of Claim 1 wherein said
manual means includes a brush and a valve to regulate the fluid flow.

6. (Original) The combination sink and jet parts washer of Claim 1 wherein a
dampening closer extends between said sink and cabinet.
